A LITTLE ABOUT US

At **Beyond Walls**, we believe that learning should be an adventure, not a chore.

Our immersive game-based learning programs are designed to captivate and motivate learners, fostering both professional and personal growth.

We don't just build skills, **we level them up**!

A caped super-hero resides within every learner. We're here to find your superpowers and master them through playful ease!

beyond walls

OUR VISION

At Beyond Walls, we believe in creating lasting impact on people's lives through creative learning!

Our vision is to empower people with creative confidence and help organizations drive innovation and growth through their people. Our immersive game-based learning interventions focus on converting concepts to habits and skills through outcome based exercises that takes learning truly *beyond the walls* of the classroom.

There is 'no one size that fits all', hence we work extensively with our clients to customise and co-create contextual learning experiences for their teams.

Emotional Intelligence through Navarasas

beyond walls

01

The Theme: Before we look at adopting western management philosophies for emotional intelligence, can we look within the rich and diverse Indian culture for some powerful frameworks?
An uniquely designed workshop on exploring emotions based on the concept of 'Navarasas' from Natyashastra. The participants explore the permanent (*sthayi*), transient (*sanchari*) and involuntary (*satvika*) emotional states in their everyday lives and how it impacts their relationships.

Time

3 hours
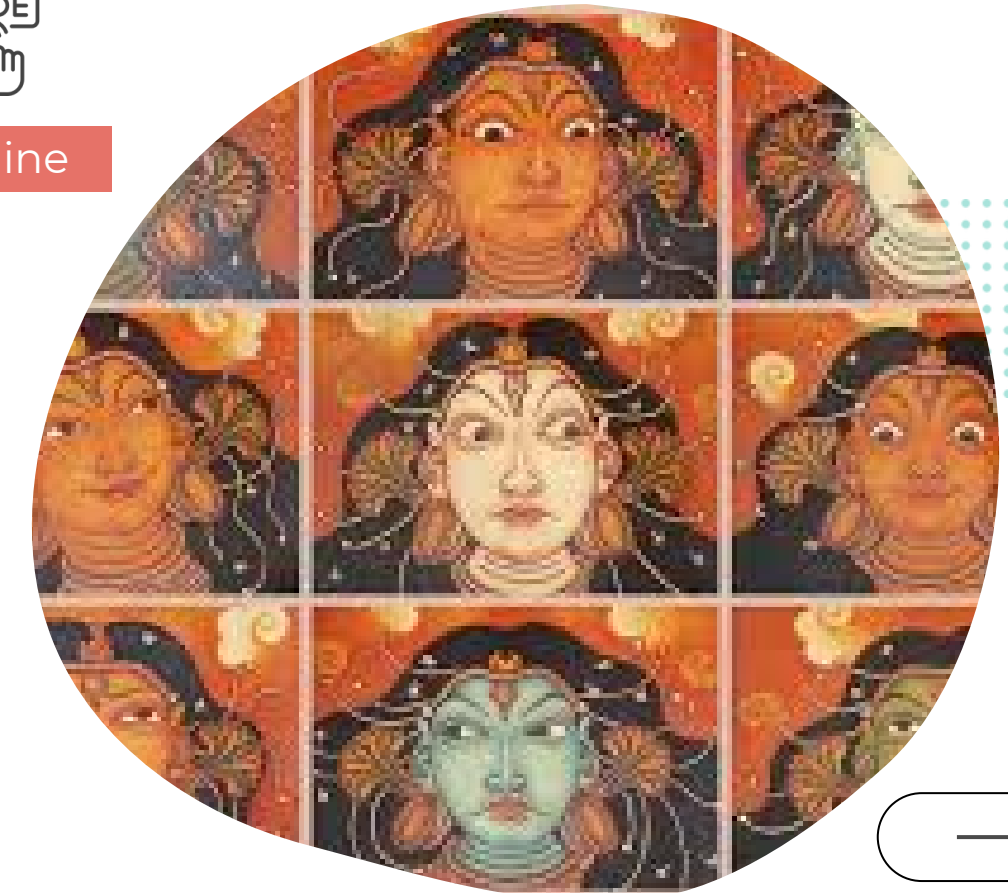

No. of Participants

16-25

Mode

MODE

Offline

Learning Outcomes:

- Enhance self-awareness
- Explore the steady and transient emotional states
- Learn a simple 3 step framework to navigate emotions

The Rhino Horn

beyond walls

02

The Theme: The Rhino here, paints everything that he can see, but the horn in the middle of his head obscures his vision. He feels the horn is part of everything he sees. This begs the question: What part of our own vision is obscured? What elements are we unable to see? Is there a way to become aware of the part that is missing?
This immersive session is designed to be a wake up call to all participants to explore their own implicit/unconscious biases and its impact on their everyday lives.

Time

3 hours
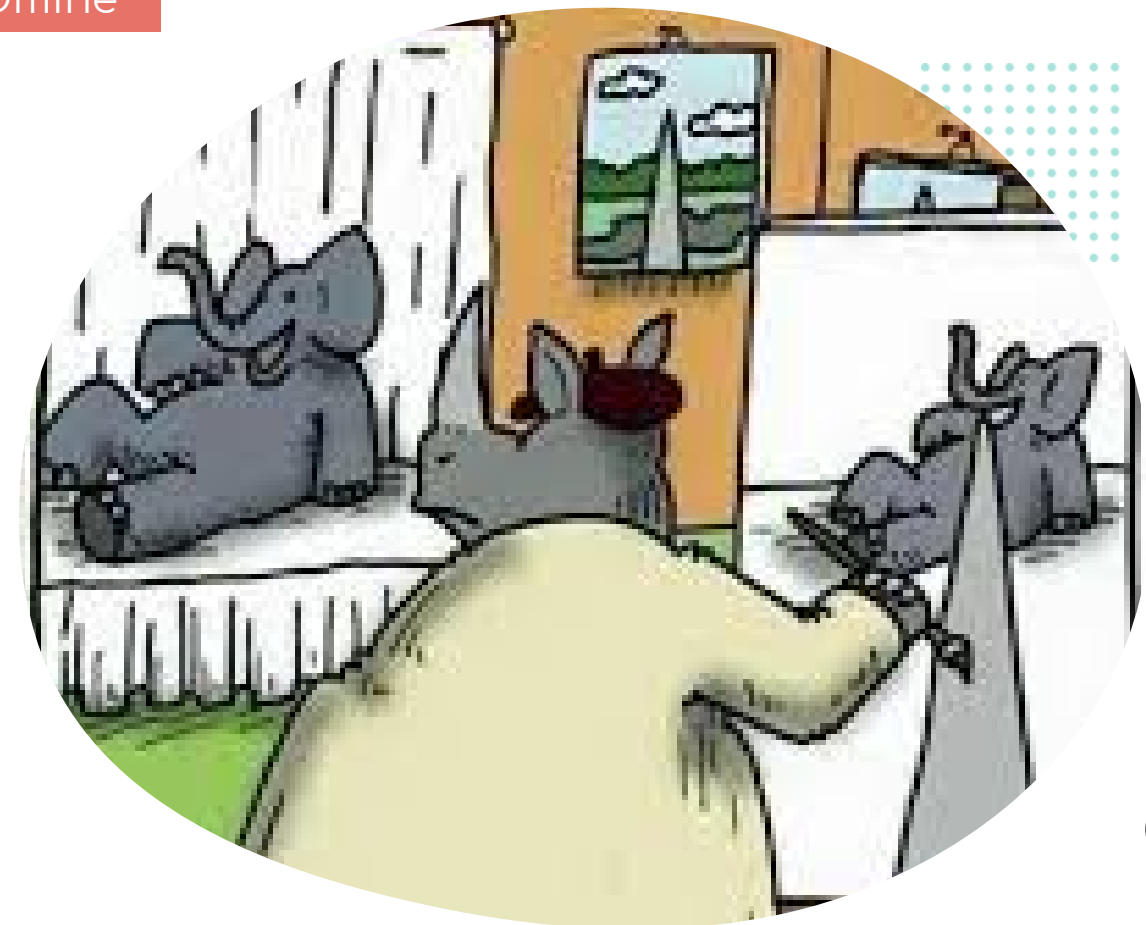

No. of Participants

Upto 40

Mode

MODE

Offline

Learning Outcomes:

- Enhance awareness about different implicit biases.
- Identify the impact of these biases on our personal/ professional lives.
- Explore a four step compelling framework to move past these biases.

Radical Candor

beyond walls

03

The Theme: Giving proper guidance is something every leader struggles with. 'Radical Candor' is a very practical and useful framework for giving effective feedback. It helps develop an open yet strong leadership culture. This program uses an interesting learning methodology named 'space exploration'. The training room is divided into a 2*2 matrix as per the Rdaical Candor framework, and learning nudges are placed in each quadrant for the learners to move-in and explore. The learners move from one space to the another and engage in meaningful discussion on the core concepts of leadership.

**Time**

2 hours

**No. of Participants**

Upto 100

Mode

Offline

Learning Outcomes:
- Practices to get, give and encourage guidance and feedback at work
- Strategies to building a cohesive team
- Tools to help to get work done with less drama
- Practical framework and tips to give clear and crisp feedback

Ruinous Empathy

Leadership Lessons from Mahabharata

beyond walls

04

Theme: The Mahabharata, one of the world's oldest epics, is a treasure trove of timeless wisdom and life lessons. While it primarily narrates the epic battle between two branches of a royal family, the Pandavas and the Kauravas, it is also a rich source of insights into leadership, ethics, and governance. In this storytelling session, we delve into the Mahabharata to uncover five important lessons in corporate leadership that remain relevant in today's fast-paced and dynamic business world.

Time

4 hours

No. of Participants

Upto 30

Mode

Offline

Learning Outcomes:

- Importance of Vision and Strategy
- Communication and Teamwork
- Ethical leadership and Integrity
- Adaptability & Resilience

Reels to Real

beyond walls

05

Theme: An exploration of how movies often reflect leadership dilemmas and styles.
This session with some popcorns and coke, uses films as a learning tool for leadership, highlighting emotional resonance and memorable storytelling. This one-of-a kind program is carefully designed and debriefed to bridge the gap between reel-world scenarios and real-world leadership challenges.

Time

4 hours

**No. of Participants**

Upto 30

Mode

MODE

Offline

Learning Outcomes:

- Practical insights into leading teams
- Handling pressure
- Fostering collaboration
- Adaptability & Resilience
